His Love Busters Questionnaire

This questionnaire is to be completed by the husband. It’s designed to help identify your wife’s Love Busters. Your wife engages in a Love Buster whenever one of her habits causes you to be unhappy. By causing your unhappiness, she withdraws love units from her account in your Love Bank, and that, in turn, threatens your romantic love for her.

There are six categories of Love Busters. Each category has its own set of questions in this questionnaire. Answer all the questions as candidly as possible. Do not try to minimize your unhappiness with your wife’s behavior. If your answers require more space, use and attach a separate sheet of paper.

When you have completed this questionnaire, go through it a second time to be certain your answers accurately reflect your feelings. Do not erase your original answers, but cross them out lightly so that your wife can see the corrections and discuss them with you.

The final page of this questionnaire asks you to rank the six Love Busters in order of their importance to you. When you have finished ranking the Love Busters, you may find that your answers to the questions regarding each Love Buster are inconsistent with your final ranking. This inconsistency is common. It often reflects a less than perfect understanding of your feelings. If you notice inconsistencies, discuss them with your wife to help clarify your feelings.
